Double Major Description

At their discretion, UF colleges and schools can permit students to pursue multiple majors within the same degree program. In general, students are not permitted to pursue more than two majors.

A student completing multiple majors that have the same degree within the colleges of Agricultural and Life Sciences, Business Administration, Fine Arts or Liberal Arts and Sciences will receive a single degree. The transcript will list the degree and each major.

Eligibility and Required Signatures

- Apply between 45 and 96 hours earned, excluding any accelerated mechanism (such as AP, IB, AICE, DUAL ENROLLMENT, ETC.) credit. Applications received after 96 hours earned will not be approved.
- Meet current admission requirements for all majors, including but not limited to critical tracking courses and GPA.
- Receive your degree in a reasonable number of credits hours as determined by your college.
- Complete all sections of this worksheet per your college(s) instructions and obtain signatures in the proper order listed.
- Incomplete forms cannot be processed and will be returned to student.
- Liberal Arts and Science students who are seeking a second degree within that college must obtain approvals of both departments AND the Academic Advising Center.
- Both degrees must be awarded in the same term. Students cannot complete one major and continue registration to complete requirements for the additional majors in a later term.
- To cancel a request for previously approved dual degree, please write the word CANCEL in the upper right corner AND obtain the required signatures in steps 3-5.

NOTE: Choosing to pursue this application may result in an excess hour surcharge. More information may be found on ONE.UF under your degree audit.
